

## SMA Membership Services and Benefits (Professional Members)

### **There are many benefits of membership to SMA including:**

- Inclusion in our National and State referral networks which incorporates printed membership directories and a web based directory giving the community greater access to qualified sports medicine and science practitioners.
- Increased profile for health professionals involved in sports medicine and physical activity via SMA's media and profiling activities.
- Subscriptions to the SMA publications Sport Health (quarterly) and the Journal of Science and Medicine in Sport (JSMS).
- Access to free Educational Material, including policies and guidelines for safer sport.
- Access to multi-disciplinary educational workshops and seminars at a reduced rate. (The discounted rate for the Australian Conference of Science and Medicine in Sport alone covers the cost of membership).
- Access to the Member Benefits program which includes discounts on travel, cars, shopping, telecommunications and many other categories.

[More information about the SMA Member Benefits program is available at [www.memberbenefits.com.au/sma](http://www.memberbenefits.com.au/sma)]

### **Additional SMA Queensland Sports Trainer Membership Benefits:**

- Discounted rates for the SMA QLD State Conference – held annually since 1971.
- Free Professional member continuing education seminars.

### **Full members also receive:**

- Voting rights and eligibility to stand for Board positions.
- Access to the Professional Buyers program which includes discounts on ASICS shoes.
- Access to Practice Branding allowing you to use the SMA logo to boost your profile and your practices.
