The Sports Trainer Reaccreditation will renew your Level 1 or Level 2 Sports Trainer qualification for a period of 3 years. It is designed to ensure participants maintain the skills required to perform the duties of a Sports Trainer.

The reaccreditation involves a competency based assessment of participant's skills in a range of key sports trainer tasks. These tasks include: DRABC, taping the thumb and ankle, STOP, TOTAPS & RICER. Participants attending the Reaccreditation course will also complete a CPR update.

CPR Only - Cost: \$50

These courses will run in conjunction with the Sports Trainer Reaccreditation course. Participants enrolling in the CPR course will only be required to attend that component of the course which takes place at the beginning of the Reaccreditation course.

Participants will be issued with a three-year Nationally Recognised Statement of Attainment showing the unit of competency HLTCPR201A - Perform CPR.
